Wisdom Matriculation Hr Sec School	SSLC	Pass	2020-2021

EXPERIENCES

FullStack Developer Intern -SynapsLogic [Link](#) **2025**

Built a full-stack School Management System featuring Admin, Teacher, Student, Parent, and Staff logins Worked on frontend, backend, and database integration.

MERN Stack-Link **2025**

Designed a project on "Virtual Try-On Application" under MERN stack internship. Achieved hands-on experience in full-stack development, improved UI/UX, and enhanced user interaction by 20% through interactive design and seamless API integration.

SKILLS ACQUIRED:

Frontend : HTML, CSS, JavaScript, ReactJS, TailwindCSS, Bootstrap

Backend : Node.js, Express.js, REST APIs, MySQL, MongoDB.

PROJECTS

Gig Worker Support Platform [DeployLink](#) **2026**

Tech Stack : Python, Flask, MongoDB, Razorpay API, HTML, CSS.

Built and deployed a Python Flask-based platform for gig workers that managed worker registration, insurance policies, community fund pooling, payment tracking, UPI payouts, weather-triggered alerts, and fraud detection through a centralized backend system.

AI-Based Study Productivity [Github](#) **2025**

Tech Stack : ReactJS, Node.js, MongoDB, Gemini API, CSS.

Developed an interactive dashboard to visualize study hours, task completion rates, AI chatbot usage, and productivity trends using data from the study platform. Created KPI reports, dynamic filters, and performance analytics to provide actionable insights into user engagement and learning progress.

Food Delivery System [Github](#) **2024**

Tech Stack: Java, JDBC, MySQL.

It allows customers to log in, browse the menu, and place orders easily. I also integrated MySQL to handle user, order, and restaurant data, complete with real-time status updates.

ACHIEVEMENTS

Secured Second Price in Think Solve and Win at KCT **2025**

Published Paper in TIJER -International Reasearch Journal **2024**

Finalist, DecodeX National Level Analytics Hackathon **2026**

Ranked among the Top 50 teams out of 4,000+ participants and qualified for the final round in Mumbai.

CODING PROFILES

Leetcode- Max Rating:1306| Global Rank: 1,111,366| Problems Solved : 100+| Profile Link: [LINK](#)
